

WHITEBALL

RICHARD SAVANI

REMIXES

ARTIST INFO:

English:

Born in Sao Paulo, 26 years, electronic music producer since 2005. Influenced by early Detroit Techno to the quality of melodies, minimalist tendencies followed in his productions, with references as producers Maetrik, Sascha Funke, Aparatt, Nathan Fake, Trentemoller, U.R., Gui Boratto, John Dahlback, among others. Their songs went by minimum Recordings EP called "Mini Sette" with four tracks, also released by the label Green Records Clubstream two remixes, one for the producer Under Downtown and the other for Sage. Another launch by Puzzle Heads in a compilation of the label including the track "Obsession" Miksumatra Records and an EP with remixes from Dj Mr. Gil and Maicon Villa.

Parallel to his solo work, has called the project with Rodrigo Soria Aeroclube and another with Maicon Villa called 2Hundred. Projects that add knowledge and skills resulting in better sound quality and diversity. Aiming to unite producers to gain more strength on the scene, is one of the creators of C.A.S. Collective (Cannibals in South America), formed by six producers, recently participating in the program with Radio SmartBiz Renato Lopes Energia 97 radio, featuring members of the set with tracks and interview.

Português:

Nascido em São Paulo, 26 anos, produtor de música eletrônica desde 2005. Influenciado no início por Techno de Detroit pela qualidade de melodias, seguiu tendências minimalistas em suas produções, tendo referências produtores como Maetrik, Sascha Funke, Aparatt, Natan Fake, Trentemoller, UR, Gui Boratto, John Dahlback, entre outros. Suas músicas saíram pela Minimar Recordings, EP chamado "Mini Sette" com quatro tracks, Também lançou pelo selo Clubstream Green Records dois remixes, um para o produtor Under Downtown e o outro para o Sage. Outro lançamento, pela Puzzle Heads em uma compilação do selo incluindo a track "Obsession" e pela Miksumatra Records um EP com remixes de Dj Mr. Gil e Maicon Villa.

Paralelo ao seu trabalho solo, tem projeto com Rodrigo Soria chamado Aeroclube e outro com Maicon Villa chamado 2Hundred. Projetos que somam conhecimentos e técnicas resultando em melhor qualidade e diversidades sonoras. Visando unir produtores para ganhar mais força na cena, é um dos idealizadores do C.A.S. Collective (Canibais da América do Sul), formado por seis produtores, participando recentemente do programa Rádio SmartBiz com Renato Lopes na rádio Energia 97, apresentando set com tracks dos integrantes e entrevista.
